

Our Mission Statement

Guide Dogs of America provides professionally trained guide dogs and instruction in their use, free of charge, to blind and visually impaired individuals so that they may continue to pursue their goals of independence and greater mobility.

WHY GIVE?

Guide Dogs of America is a nonprofit organization that is supported by the generosity of individuals, foundations, corporations, and other organizations in our mission to provide loyal and loving guide dogs free of charge to blind and visually impaired individuals.

With over 90% of all the funds we receive going directly to program services, you know your money is well spent. We **do not** receive any funding from local, state or federal government. The cost to provide one guide dog and match it with its new blind partner is about \$38,000.00. Your gifts help us fulfill our mission and reflect your own personal desire to help others live more independently with the loving partnership of a guide dog.
